

A young girl in a colorful, polka-dot bikini is running through a dense spray of water on a splash pad. She has a joyful expression, with her mouth open and eyes wide. Her hair is wet and matted. In the background, another child is partially visible, also running through the water. The scene is bright and sunny, with a lush green lawn visible behind the splash pad. A dark blue horizontal band is overlaid across the middle of the image, containing the text 'SPLASHPAD®' in white, bold, sans-serif font.
